### CA Youth Crisis Line (CYCL)

“The California Youth Crisis Line operates 24/7 as the statewide emergency response system for youth (ages 12-24) and families in crisis. Professionally trained staff and volunteer counselors provide crisis intervention counseling and resource referrals to service providers in the caller’s local community. Thoughts of suicide, depression, bullying, health and identity questions, trauma, human trafficking or any teen-related struggle are discussed with a crisis counselor in confidence and without judgement. We do not provide advice. We listen with compassion.”
