Provider Notice: #0060

Subject: Medi-Cal Adult Preventive Health Visits—Codes 99395, 99396, 99397

Effective 10/1/06, Partnership HealthPlan of California (PHC) will reimburse providers for preventive services, CPT-4 codes 99395, 99396 and 99397. These services are included in PHC's capitation arrangement with Primary Care Physicians for members assigned to them.

Claims for special members seen by PHC contracted PCPs will be paid fee for service as outlined below:

CPT-4 Code	Rate
99395	\$57.20
99396	\$63.89
99397	\$71.28

Note: PHC will not reimburse providers for both office visits and preventive visits on the same date of service. If both are billed, PHC will pay for the preventive visit only.
