Provider Notice: #0011

Subject: NPI Numbers on Claims Submissions

Effective on or after 5/1/08, claims received by PHC without the required NPI number will be rejected and returned to the provider. Providers may continue to bill with the Medicare number in conjunction with the NPI number, but the NPI number *will be* required.

If you have not yet provided the PHC Provider Relations Department with your NPI information, please contact them at (707) 863-4100 as soon as possible.
