Provider Notice: #0009

Subject: NPI Numbers on Claims Submissions

Effective on or after 5/1/08, PHC will require the NPI number on all claims submitted for payment consideration. Providers may continue to bill with the Medicare number in conjunction with the NPI number, but the NPI number will be required. Claims received without the NPI number will be returned to the provider.

If you have not yet provided the PHC Provider Relations Department with your NPI information, please contact them at (707) 863-4100 as soon as possible.
