Important Provider Notice: #412

Subject: Reminder to bill MedImpact

As a reminder, Partnership HealthPlan of California (PHC) is contracted with a Pharmacy Benefit Manager (PBM), MedImpact, to assist in the administration of its Pharmacy Management Program. All participating pharmacies receive reimbursement from MedImpact for pharmacy services provided for a covered medication and/or reimbursable services as identified in the MedImpact Pharmacy Network Agreement Plan Sheet. Billing PHC directly for these services will result in denial of a claim, directing the pharmacy provider to bill MedImpact.

For additional questions regarding MedImpact billing, you may contact MedImpact Customer Service at (800) 788-2949 or the PHC Pharmacy Department at (707) 863-4414.
