Accessibility Standards for Seniors and Persons with Disabilities

This directory now lists codes to define "accessibility" standards. These standards are meant to help seniors and persons with disabilities. The intent is that members can get in and around offices safely and without help from others. These codes are not yet listed for all providers. If you do not see these codes listed under a certain provider's name, just call the office. You can ask if they have the type of access that you need.

Levels of Access

Basic Access

The office meets the standards below for parking, interior and exterior building, exam rooms, and restrooms (P, EB, IB, R, and E).

Limited Access
