How to use this list:

1. Pick two primary care providers (PCPs). One will be your first choice and the other will be your second choice. We ask you to pick a second choice in case your first choice is not available.
2. Write the names and the provider numbers of the primary care providers that you picked on the enclosed Primary Care Provider Selection Form. Call our Members Services Department to make sure the doctor or medical group is available.
3. Return the Primary Care Selection Form to PHC using the enclosed postage paid return envelope.
4. You can access some Medi-Cal benefits without an authorization from your PCP. Please refer to your Member Handbook or call the PHC Member Services Department for more information about these services.
5. Some hospitals and/or primary care providers may not provide one or more of the following services that are covered benefits: family planning contraceptive services, including emergency contraception; sterilization, including tubal ligation or abortion. You can obtain more information about these services before you choose your PCP by calling your prospective primary care provider or by calling the PHC's Member Services Department at (800)863-4155. TTY Users: Call the California Relay Service at (800) 735-2929 or call 711.
6. Members are encouraged to pick a Primary Care Provider (PCP) that is closest to their home. However, members can choose any PCP in their County that is available in this Provider Directory.
7. The telephone number listed under each site in this directory is the same number to call after normal business hours.

If you need help filling out the Primary Care Selection Form or if you have any questions about choosing a primary care provider, please call our Member Services Department at (800) 863-4155. TTY Users: Call the California Relay Service at (800) 735-2929 or call 711.

Your PCP will give you a referral to send you to a specialist if you need one. A specialist is a doctor who has extra education in one area of medicine. Your PCP will work with you to choose a specialist.

For some types of care, your PCP or specialist will need to ask for approval before you get the care. This is called prior authorization or pre-approval. It means that PHC agrees that the care is medically necessary.

If you have any questions concerning handicapped accessibility, please call our Member Services Department at (800)863-4155. TTY Users: Call the California Relay Service at (800) 735-2929 or call 711.

2. Escriba los nombres y el número de proveedor de cada uno de los dos médicos que escogió en el formulario que se llama "Primary Care Provider Selection Form". Llame a Nuestro Departamento de Servicio al Miembro para asegurarse de que el doctor o el grupo medico está disponible.
3. Regrese el formulario por correo a PHC en el sobre con sello que le incluimos.
4. Usted puede recibir algunos beneficios de Medi-Cal sin ninguna autorización de su doctor primario. Por favor de referir a su Manual para Miembros o llame al departamento de servicios para miembro de PHC para más información sobre estos servicios.

Para algunos tipos de cuidado, su PCP o especialista necesitará pedir autorización antes de que usted obtenga la atención médica. Esto se llama autorización o aprobación previa. Esto significa que PHC esté de acuerdo en que el cuidado es médicamente necesario.
