Nourish & Flourish Brings Free Health Services to the Redding Farmers Market

REDDING – Partnership HealthPlan of California is bringing Nourish & Flourish to the Redding Farmers Market on Saturday, August 9, 2025, from 7:30 a.m. to noon at 777 Cypress Ave, Redding.

The free community event will offer health screenings, education demonstrations, mobile mammograms, and free back-to-school seventh-grade vaccinations while supplies last. Visitors can also meet local doctors, explore health care scholarships and career paths, and enjoy fresh food from the farmers market alongside giveaway prizes, free farm bucks, and family-friendly activities.

“We designed Nourish & Flourish to make it easier for the Redding community to access free health services,” said Tim Sharp, the Redding-based regional director for Partnership HealthPlan of California. “Events like this bring care out of the clinic and into the heart of the community, helping us support healthier lives for everyone.”

The event is free and open to the public.
