

How to Become an Enhanced Care Management and/or Community Supports Provider

If you are interested in becoming an Enhanced Care Management (ECM) and/or Community Supports (CS) provider, please contact the CalAIM Inbox at CalAIM@partnershiphp.org, to begin the contracting process.

Partnership has 24 counties within its service area which includes: **Butte, Colusa, Del Norte, Glenn, Humboldt, Lake, Lassen, Marin, Mendocino, Modoc, Napa, Nevada, Placer, Plumas, Shasta, Sierra, Siskiyou, Solano, Sonoma, Sutter, Tehama, Trinity, Yolo, and Yuba.**

Below is a step-by-step guide to help your organization navigate the contracting process with Partnership:

Complete the Readiness Application:

Partnership will send you a Readiness Application to assess your organization's preparedness. Before you begin, we recommend reviewing the [Department of Health Care Services website](#) for important information and contract terms, including the FAQ section.

Submit the Provider Agreement Request Form (PARF):

Once your Readiness Application is approved, you'll receive instructions to complete the PARF.

Credentialing and Contracting:

After submitting the PARF, you'll be guided through credentialing, contracting, and the internal upload of your organization's information into our systems.

Training and Onboarding:

Once all steps are complete, a member of our Enhanced Health Services team will contact you to schedule training sessions. These sessions are designed to equip your team with the tools and knowledge needed for success.
