## HOME VISITING PROGRAMS

---

### California Home Visiting Program

“The birth of a baby is an exciting time. It can also be overwhelming, especially for those without a positive parenting model or support network to guide them. The California Home Visiting Program (CHVP) is designed for overburdened families who are at risk for Adverse Childhood Experiences (ACEs), including child maltreatment, domestic violence, substance use disorder and mental health related issues. Home visiting gives parents the tools and know-how to independently raise their children.”
