DISASTER PREPAREDNESS RESOURCES

CalAlerts

“Each County in California has an alerting program that you can sign up for to receive alerts if an emergency situation were to arise in your county. If you work in one county, but you live in another, you can sign up for both.”

MyHazards

“MyHazards is a tool for the general public to discover hazards in their area (earthquake, flood, fire, and tsunami) and learn steps to reduce personal risk. Using the MyHazards tool, users may enter an address, city, zip code, or may select a location from a map. The map targets the location, and allows users to zoom and scroll to their desired view.”
