

# Well-Care Services

Partnership HealthPlan of California and your doctor are here to keep you healthy. Your doctor's phone number is on the front of your Partnership ID card. Call and schedule a check-up with your doctor within 90 days after your start date with Partnership.

These are some of the services you and your family can get:

## Adults

- Asthma medication management
- Birth control
- Blood pressure checks
- Breast cancer screenings
- Cervical cancer screenings
- Depression screening and help
- Diabetes screening and care
- Help for drug and alcohol addiction
- Screenings for sexually transmitted infections
- Care during and after pregnancy:
  - Prenatal and postpartum visits
  - Vaccines

## Children

- Asthma medication management
- Screenings to assess growth
- Vaccines
- Infant well-care visits (ages 0-2)
- Yearly well-child and adolescent well-care visits (ages 3-21)

If you are not sure who your primary care doctor is or if you need help getting a visit, call **(800) 863-4155**, 8 a.m. – 5 p.m. Monday – Friday. TTY users can call the California Relay Service at **(800) 735-2929** or call **711**.
