

Protect Your Baby Schedule a Well-Child Visit!

Partnership's Member Services can help!

Monday – Friday, 8 a.m. to 5 p.m.

(800) 863-4155 TTY: **(800) 735-2929** or 711

At well-child visits, your child's primary care provider will:

- Give a physical exam
- Track developmental milestones
- Offer vaccines your child may need
- Test for lead in blood at 12 and 24 months
- Answer your questions
