This agenda contains a brief description of each topic for consideration. Except as provided by law, no action shall be taken on any topic not appearing on the agenda.

Government Code §54957.5 requires that public records related to items on the open session agenda for a regular committee meeting be made available for public inspection. Records distributed less than 72 hours prior to the meeting are available for public inspection at the same time they are distributed to all members, or a majority of the members of the committee. The committee has designated the Executive Assistant to the Chief Medical Officer as the contact for Partnership HealthPlan of California located at 4665 Business Center Drive, Fairfield, CA 94534, for the purpose of making those public records available for inspection.

The Physician Advisory Committee Agenda and supporting documentation is available for review from 8:00 AM to 5:00 PM, Monday through Friday at all Partnership regional offices (see locations under the Meeting Notice). It can also be found online at the [Physician Advisory Committee](https://www.partnershiphp.org/Providers/HealthServices/Pages/Physician-Advisory-Committee.aspx) webpage, linked below.
