

## Community Health Worker (CHW/P/R) Services Recommendation

CHW/P/R services are defined as preventive health services delivered by a CHW/P/R to prevent disease, disability, and other health conditions or their progression; to prolong life; and to promote physical and mental health.

CHW/P/R services require a written recommendation submitted to the Manage Care Plan (MCP) by a physician or other licensed practitioner of the healing arts within their scope of practice under state law. Other licensed practitioners who can recommend CHW/P/R services within their scope of practice include physician assistants, nurse practitioners, clinical nurse specialists, podiatrists, nurse midwives, licensed midwives, registered nurses, public health nurses, psychologists, licensed marriage and family therapists, licensed clinical social workers, licensed professional clinical counselors, dentists, registered dental hygienists, licensed educational psychologists, licensed vocational nurses, and pharmacists.
