**How to use this list:**

1. Pick two primary care providers (PCPs). One will be your first choice and the other will be your second choice. We ask you to pick a second choice in case your first choice is not available.
2. Write the names and the provider numbers of the primary care providers that you picked on the enclosed Primary Care Provider Selection Form. Call our Members Services Department to make sure the doctor or medical group is available.
3. Return the Primary Care Selection Form to Partnership using the enclosed postage paid return envelope.
4. You can access some Medi-Cal benefits without an authorization from your PCP. Please refer to your Member Handbook or call the Partnership Member Services Department for more information about these services.
5. Some hospitals and/or primary care providers may not provide one or more of the following services that are covered benefits: family planning contraceptive services, including emergency contraception; sterilization, including tubal ligation or abortion. You can obtain more information about these services before you choose your PCP by calling your prospective primary care provider or by calling the Partnership’s Member Services Department at (800) 863-4155. TTY Users: Call the California Relay Service at (800) 735-2929 or call 711.
6. Members are encouraged to pick a Primary Care Provider (PCP) that is closest to their home. However, members can choose any PCP in their County that is available in this Provider Directory.
7. The telephone number listed under each site in this directory is the same number to call after normal business hours.
8. Contact the Provider office directly for current practitioner and office staff language capabilities.

If you need help filling out the Primary Care Selection Form or if you have any questions about choosing a primary care provider, please call our Member Services Department at (800) 863-4155. TTY Users: Call the California Relay Service at (800) 735-2929 or call 711.

Your PCP will give you a referral to send you to a specialist if you need one. A specialist is a doctor who has extra education in one area of medicine. Your PCP will work with you to choose a specialist.

For some types of care, your PCP or specialist will need to ask for approval before you get the care. This is called prior authorization or pre-approval. It means that Partnership agrees that the care is medically necessary. In addition to many other services, Enhanced Care Management and Community Supports require prior authorization and are limited to members who meet specific eligibility criteria.

If you have any questions concerning handicapped accessibility, please call our Member Services Department at (800) 863-4155. TTY Users: Call the California Relay Service at (800) 735-2929 or call 711.

3. Regrese el formulario por correo a Partnership en el sobre con sello que le incluimos.

5. Algunos hospitales o proveedores de atención primaria puede que no ofrezcan uno o más de los siguientes beneficios que están cubiertos, como: planificación familiar servicios anticonceptivos, incluyendo anticonceptivo de emergencia, esterilización, incluyendo ligadura de las trompas o aborto. Usted puede recibir más información de estos servicios antes de escoger a su PCP si llama a su prospectivo proveedor de atención primaria o si llama al Departamento de Servicios para Miembros de Partnership al (800) 863-4155 (TTY: (800) 735-2929 or 711).

preguntas sobre cómo escoger un proveedor de atención primaria, por favor llame a nuestro Departamento de Servicios para Miembros al (800) 863-4155 (TTY: (800) 735-2929 or 711).

Su PCP le dará una referencia para enviarlo a un especialista si lo necesita. Un especialista es un médico que tiene educación adicional en un área de la medicina. Su PCP trabajará con usted para elegir un especialista.

Para algunos tipos de atención, su PCP o especialista tendrá que pedir aprobación antes de que usted reciba la atención. Esto se llama solicitar autorización previa o preaprobación. Significa que Partnership está de acuerdo en que la atención es médicamente necesaria. Además de muchos otros servicios, la Administración de la Atención Mejorada (Enhanced Care Management) y los Apoyos Comunitarios (Community Supports) requieren autorización previa y están limitados a los miembros que cumplen con criterios específicos de elegibilidad.

Si tiene cualquier pregunta sobre acceso para incapacitados, por favor llame al Departamento de Servicios para Miembros al (800) 863-4155 (TTY: (800) 735-2929 or 711).

The intent is that members can get in and around offices safely and without help from others. These codes are not yet listed for all providers. If you do not see these codes listed under a certain provider’s name, just call the office. You can ask if they have the type of access that you need.
