

Community Health Worker Training Program Scholarship

Partnership HealthPlan of California is excited to announce a scholarship opportunity. Current and former Partnership members who apply and are accepted in the upcoming Sacramento City College (SCC) community health worker (CHW) training program may be eligible for up to a \$1,000 scholarship to be applied to tuition and direct educational expenses (e.g. application fees and books).

SCC is accepting applications for a cohort of CHW students to begin in August 2024. Interested SCC applicants will need to complete the CHW online application by May 31, 2024. Those interested in applying for Partnership's CHW scholarship should email PHCscholarships@partnershiphp.org to request an application. Applications must be completed and submitted to Partnership by May 31, 2024.

Partnership believes our current and former members who have an excellent understanding of the community in which they live could make ideal CHWs. A CHW can act as a liaison between health care providers, social services, and the community to facilitate access to services and improve the quality, health equity, and cultural competence of service delivery.

Please note, that the SCC CHW training program includes both virtual and in-person practicum.

If you have additional questions on the Sacramento City College CHW opportunity, please visit their CHW webpage or email the program directly at SCC-Healthoccupations@scc.losrios.edu

Applicants interested in the Partnership scholarship opportunity may reach out with questions by emailing PHCscholarships@partnershiphp.org.
