

Provider Retention Initiative Pilot

January 2024 Launch

Partnership is launching a new Provider Retention Initiative (PRI) Pilot. The PRI is intended to recognize primary care clinicians who have devoted their careers to the safety net, while helping to incentivize additional years of service from them. Our hope is that the PRI will help preserve institutional knowledge and clinical leadership and mentorship within our network, while a younger generation of providers can learn from and train with these committed health professionals.

PRI eligibility is limited to practitioners who provide services to Partnership members with Partnership’s contracted partners within our 24-county region.
