PCP QIP PAYMENT 2022 & TOP PERFORMERS

The measurement year (MY) 2022 payment was successfully sent out April 30, 2023. Due to your efforts, we were able to award approximately \$38 million dollars in incentive dollars across the PCP QIP provider network. This was an additional \$3 million dollars awarded to the provider network due to their strengthened QIP efforts. We appreciate all of your hard work towards providing quality care to our members. Congratulations to all!

In recognition of your MY2022 efforts, we would like to announce our Top Performers who have demonstrated exceptional performance in the PCP QIP:

- Communicare, Davis Community Clinic
- Northbay Healthcare, Primary Care - Green Valley
- Sonoma Plaza Pediatric Medical Group
- Northbay Healthcare, Primary Care - Hilborn Rd.
- Community Medical Centers, Esparto
- Communicare, Hansen Family Medical Center
- Communicare, Salud Clinic
- Alliance Medical Centers, Healdsburg

UPCOMING PERFORMANCE IMPROVEMENT TRAINING OPPORTUNITIES

Diabetes Management - HbA1C Good Control, Self-Study Webinar

View [this](#) self-study webinar and complete an evaluation to receive CME/CE credit.

Target Audience: Clinicians, practice managers, quality improvement team, and staff who are responsible for participating and leading quality improvement efforts within their organization.

Topic: This learning session will cover Partnership HealthPlan of California's (PHC) Primary Care Provider Quality Incentive Program measures.

Objectives: Provide an overview of clinical measure background, specifications, and performance threshold definitions for the 2023 PCP QIP *Comprehensive Diabetes Management - HbA1c Good Control* measure.

Review documentation requirements to maximize adherence and measure performance for the *Comprehensive Diabetes Management – HbA1c Good Control*.

Identify best and promising practices including access to care, successful clinical workflows, member and staff education, outreach, addressing social context which influence treatment decisions, referrals to local community resources, disproportionate prevalence and/or rates for diabetes complications, and technical tips to improve *Diabetes Management HbA1c Good Control* rates.

**The AAFP has reviewed Accelerated Learning: Diabetes Management – HbA1c Good Control – Enduring and deemed it acceptable for up to 1.00 Live AAFP Prescribed credits. Term of Approval is from 04/03/2023 to 04/03/2024. Physicians should claim only the credit commensurate with the extent of their participation in the activity. **Partnership HealthPlan of California (PHC) approved by the California Board of Registered Nursing. PHC Number CEP16728, for 1.00 contact hour(s).*

Update on Childhood Lead Poisoning Prevention: Counseling, Screening, and Management for Children Potentially Exposed to Lead

Date and time: July 20, 2023, noon – 1:30 p.m.

To register: [Click here](#)

Target audience: Pediatricians, neonatologists, critical care, emergency medicine, residents, hospitalists, family practice, PAs, NPs, nurses, first responders, and all other interested clinical groups.

Objectives: Describe the scope, risk factors, clinical effects, management, and treatment of childhood lead exposure.

Identify cultural risk factors for lead exposure and children in all socioeconomic groups who may be at risk for lead exposure.

Explain California's Childhood Lead Screening statutes and regulations, provider mandates, and the role of anticipatory guidance in preventing childhood lead exposure.

Outline health and environmental interventions for children with lead exposure and services provided by the state of California and local Childhood Lead Poisoning Prevention Programs.

Please take a pre-test using the following link: forms.office.com/g/evdihsUGu7

Your participation is greatly appreciated.

The AAFP has reviewed Update on Childhood Lead Poisoning Prevention: Counseling, Screening, and Management for Children Potentially Exposed to Lead, and deemed it acceptable for AAFP credit. Term of approval is from 07/20/2023 to 07/19/2024. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This session is approved for 1.50 Online AAFP Prescribed.

Partnership HealthPlan of California is an approved Continuing Educated Provider (CEP16728) by the California Board of Registered Nursing, for 1.50 contact hours.

Partnership Improvement Academy Trainings

ABCs of Quality Improvement

Save the Date

Wednesday, October 25, 2023

Redwood Valley

A fall session of ABCs of Quality Improvement will be held on Wednesday, October 25, in Redwood Valley.

During this training, participants will learn concepts behind:

- Introduction to Quality Improvement and the Model for Improvement
- Learn how to create an Aim statement (project goal)
- Learn how to use data to measure quality and drive improvement
- Tips for developing change ideas for improvement
- Testing changes via the Plan-Do-Study-Act cycle

Who Should Attend? *This course is designed for clinicians, practice managers, quality improvement team members, and staff who are responsible for participating and leading quality improvement efforts within their organization.*

Registration is free and details will be posted soon to [Partnership's website](#). Email question to improvementacademy@partnershiphp.org.
